PROFESSIONAL SUMMARY

Motivated computer engineering student with a strong foundation in software development, data structures, and algorithms. Experienced in coding with languages like Java and C++, with hands-on projects in web development. Proven ability to learn quickly, adapt to new technologies, and collaborate effectively in team environments. Seeking an internship to apply technical skills, gain practical experience, and contribute to innovative projects.

EDUCATION

- | | |
|--|--------------------------------|
| - G H Rasoni College of Engineering & Management Pune. | [B-Tech CSE] CGPA 7.7 2025 |
| - Janata Vidyalaya Ruichhattishi (Ahmednagar) | Class X (SSC) 90.40% (2019) |
| - Residential Junior College (Ahmednagar) | Class XII (HSC) 88.0% (2021) |

TECHNICAL SKILLS

- **Programming Languages:** Java | HTML | CSS | JavaScript.
- **Frameworks:** React, Tailwind CSS.
- **Dashboard & Tools:** Git | Git Hub | MySQL.
- **Skills:** Time Management | Design Thinking | Team Work.
- **Course Work:** Web Development | Data Structure | OOPS | DBMS | UDBMS.

PROJECTS

- **QUIZ GAME Project** | HTML, CSS, JavaScript (2024)
- Developed an interactive quiz game using HTML, CSS, and JavaScript.
 - Implemented features such as randomized questions, timed responses, and score tracking.
 - Designed responsive layouts and animated UI elements for an engaging user experience.
 - Incorporated error handling and user feedback mechanisms for correct and incorrect answers.
 - Demonstrated proficiency in front-end development and problem-solving skills.
- **BANK MANAGEMENT SYSTEM APP** | JAVA (2023)

Developed a Java-based bank management system with the following features:

- **Account Creation:** Supports creating savings accounts.
- **Deposits and Withdrawals:** Allows depositing and withdrawing funds, including handling transaction fees for savings accounts.
- **Balance Display:** Shows real-time account balances.
- **Funds Transfer:** Enables secure transfer of funds between accounts.
- **Error Handling:** Manages insufficient funds with custom exceptions to ensure safe transactions.

OTHER ACCOMPLISHMENTS

Secured 10th position in inter college SIH (Smart India Hackathon)
